Impact
Report

Community Life Church

Lead Pastor, Scott Veroneau

Thank you, Community Life Family, for a great year!

Ephesians 2:10 "We are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do."

Knowing that God has invited us to participate in the greater story is both humbling and inspiring. We have been given a front-row seat to the transformation of the world through Jesus. Thanks to the faithful support of our congregation, Community Life Church has been able to impact our local community, our nation and some of the uttermost parts of the world.

Every year at year's end, we conduct a review of how we used the time and resources made available to us. As you sift through this impact report, please remember that the journey continues. God places us in positions to connect people to Jesus, and I pray that we make the most of every opportunity.

Thank you for loving God and loving your neighbor, and fully living into our mission of connecting people to Jesus.

"WHY DO YOU FEEL CALLED TO GIVE TO CLC?"

"We've been so blessed by Him, we feel the need to give because we've seen the things He has done in this church. Seeing the next generation led to Jesus, the source of life, by giving, we're helping to continue an environment that is going to continue to change other peoples lives as well."

"The community at CLC is so energized... It makes it easy to participate and join in when everyone has the same sense of unity and we're pulling in the same direction...The depth and volume of our Savior is continually being revealed. CLC has been such an important part of our continued growth and understanding of who our God is and how amazing, big, all inclusive and compassionate He is..."

STEVE ABBOTT AND TOMMY GUILBEAU
"WHY DO YOU FEEL CALLED TO SERVE AT CLC?"

[Watch Steve & Tommy's video](#)

"My church experience has brought me to the point of serving. It fills me up. To have the opportunity to work with the church and participate, it's essential to me...It's a family for us. We want to bring people in and we love you for coming and we're happy to have you. Take the step [to serve] just try it and get to know the people you're working with, you will get that much closer to what this church represents."

JOSHUA LOCKLEAR
"WHY DO YOU FEEL CALLED TO GROUP AT CLC?"

[Watch Joshua's video](#)

"God has used the community and the church; being together with other believers as a body of love. That's what God's called us to do. To love people. To serve and disciple others. When you're in a body of believers that love each other, that love is going to light up the place...Once you get a taste of it, God is so sweet and draws us in and we want to come back and get more and more. That's how Community Life makes me feel and the Men's Group makes me feel. I can't wait for Wednesday nights..."
